MEN JUST LOVE IT WHEN WOMEN ARE WET. AND THEY LIKE IT, TOO

Water is one of nature's truly great creations. As are women. Put them both together and it drives us men crazy. We asked five women to explain where and how they got wet.

RAVEN ALEXIS

Water places give me a chance to wear a tiny bikini... I love wearing skimpy things in public. Actually, if I had it my way, I'd love to just walk around naked at the shopping mall! Well one day at the staple, I overheard Billy talking to one of the horses. He was talking about how he was going skinny-dipping in the nearby lake that night. Well, I decided to show up there first, took off everything, and swam into the lake. I floated on my back and fingered my pussy. When I heard him get in the water, he saw me and in a minute, his finger replaced mine. Then he dove under water and began licking me there. The feeling of Billy's tongue was too much to bear and my cum gushed throughout the lake!

HOLLY HALSTON

Oh my God! I love water sex! And, it's so funny you're asking me this question today. You know what happened to me last Saturday? I like to get in touch with my spiritual side. So, I'm on a bike path thru the Cascades and I slipped off the trail to one of my favorite spots. It's a pretty, unknown, hot water spring about the size of a tennis court. So I was going through my typical routine, which involves stripping naked and hopping in with my big, rubber dildo in one hand. I was delighting in the sun and water... and, of course, the pulsations of my pussy as I hammered my hole with this massive, plastic cock. When I opened my eyes, I saw the cutest college dude standing there. He was staring at me; his mouth wide open. I asked how long he'd been standing there. He said "Long enough to get hard." Then I told him to bring it over and let me see. The initially shy lad stripped to his birthday suit and hopped in. Of course, a 21-year-old guy's got now patience, and he immediately had his cock in my pussy and was thrusting out of control. Naturally, he only lasted for about 45 seconds! But, you know why he was the best water sex ever? Because 20 seconds later, he was hard again!

ANDIE VALENTINO

Okay, here we go. I was at a ski resort in Vermont, and had just broken up with my boyfriend earlier on the slopes. So, it was about three in the morning, and I couldn't sleep... I was so upset. So, I bundled up and went to the outdoor hot tub. I did what any young woman would do. I got naked and hopped in. I wasn't expecting anyone else to be around. And, I'm going to confess: I did something very naughty. Well, I put my ass over one of those jets that shoot out hot water, and I let the hot water tickle my ass hole and pussy. And of course, I also started gently rubbing my clit and started moaning. I really lost myself in ecstasy and when I looked up, my boyfriend was standing at the top and jacking his dick furiously. "Get in here and fuck me!" I said. He obliged... and I positioned myself in the hot jet that fired up my ass as his cock fired up my pussy. Oh my God, was that ever some crackling-hot makeup sex. I swear I don't know what my temperature was, but I think the thermometer would have broken if you tried to take the temperature of my pussy. Anyway, we fucked until the sun came up. The following morning, we broke up again... And again that night we fucked our brains out in the hot tub again!

SOPHIA JADE

For me, this happened a few years back. I was single, and it was the summer, so off I went to the beach in search of some man-meat. Now, you guys know there's not a girl who has hard time getting laid. But, what I wanted was an adventure. My first night there, I went for a midnight swim. I put on a tight little pink bikini that I knew was very revealing. I had planned to go masturbate in the ocean and to that end, I brought along an inflatable raft so I could lie back on it and diddle myself properly. The waves rhythmically rocked me as I had my first orgasm. Then, suddenly, I was upended by a boogie boarder and in an instant my body was tangled with a hot young stud who was having a moonlight boogie board ride. Before I knew it, I was on the raft with my legs up in the air as the handsomest boogie pumped his young rocket into my hungry pussy hole. It was glorious being rocked by the waves as this young guy fucked the hell out of me. We fucked for almost an hour – and we very nearly got lost at sea, but that's another story.

GIANNA MICHAELS

That question sort of makes me laugh because whenever I've been in the water, guys have teased me because of my big boobs. Well, I do love playing in the water for a couple reasons: first, swimming is just extremely sensual... And, second, because I admit it, I do love showing off my ass and big boobs in a bikini. So last summer I was headed up to Ft. Lauderdale to do some feature dancing and I was about ten miles from the club when I discovered a small inviting pond. I parked, stripped, and jumped into the cool water. I was swimming around underwater. When I came up to the surface, I saw five guys standing by the waters edge. Unbelievably, they all recognized me. "It's Gianna Michaels," they said. "We were going to the club to see you!" "Come on in and see me now." I said. Before I could say, "five horny frat boys with erections," they were all buck naked and in the water surrounding me. One asked, "May we?" How polite I thought and I responded by groping around underwater and grabbing dicks. Before I knew it, they were poking between my thighs and sliding in and out of my pussy. Those five frat boys were in such a frenzy by now, so I tilted my head back as their insatiable cocks kept thrusting at me and in me. So, I did arrive at the club a little late. A few minutes later, they came in and now there are some very happy guys throwing lots of money on my stage. I was happy to show them again what they just finished savoring.

My pussy is better than that newspaper!

Andy exudes sexuality from every pore. You look at her down on her hands and knees or wearing only his tie, there's no mystery about what she wants. She wants you to snuggle up behind her and sick your cock in and fuck away while spanking her beautiful ass. If you can't do that, then go hide your cock in shame. She says that she likes her man honest, hard and willing to fuck her every and any hour of the day.

MUST BE 18+ TO CALL

THE MAN CAVE

HELLLLLO
NURSE!!!!

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

I think I'm delirious because I'm finding myself in a hospital bed, in what must not be my Man Cave. I struggle to look down and see an IV in my arm and a bunch of bandages all over what I can see of my body. There's a remote control device next to me, one of those that can call for a nurse – or it controls the TV. But still, I have no idea what I did to get here. I'm convinced it's a dream.

I decide to press the remote's button to see what would happen, and a nurse comes into the room a few minutes later. She says, "Hi there, can I help you?" I ask her, "Where am I? What happened to me?" The nurse comes over, fiddles with the machine I'm hooked up to and stands over me at the foot of the bed. She reaches for the clipboard with my charts on it and reading from it,

"Young man, your at the University Medical Center, just off campus. You were in an automobile accident. You have a concussion, lacerations and internal bleeding. Looks like you may be here for a while, so settle back and we'll be taking care of you soon."

I look around and see a clock reading two am. Not knowing what to say next, I blurt out, "What's a pretty thing like you doing at a place like this at this hour?" She giggles and says, "I'm your night nurse, Ramona, and I'm here to comfort people like you in their time of need. So, young man, is there anything more I can do?" Not knowing how to respond, I say jokingly, "How about a little kiss?" She smiles, then leans forward and presses her lips on mine. I'm dumbfounded. I wasn't expecting her to do anything.

BLAIR-NTS-00

The best I could hope for was for her to walk away and not report me. When she leans back, I say, "Nice, I didn't think you'd do it." She replies, "Studies show that patients who get stimulated heal faster. So if I can help make you heal faster, I'm glad to help." Emboldened, I grab her hand saying, "Well, do you wanna heal me some more?" She smiles and nods, then leans forward and kisses me again. I kiss back and her tongue finds it's way into my mouth. My hand weaves it's way behind her and cups a buttcheek, pulling her a little closer. I find her waist band. I slide my hand into her pants and begin massaging her butt.

Ramona pulls my hand out. She straightens up and smiles whispering, "I'd like to fuck you, but not tonight. You need to heal. So no hands under my clothes. You can feel from outside. Now back to our healing process." Suddenly her beeper goes off spoiling the mood. She gives me one last quick kiss before putting my chart back and running out the door. I look around the room for a few minutes and realize I have to accept my situation. I try to remember the car crash, but nothing is coming. I decide to just kick back and try to get some more sleep.

Morning rolls around when Ramona comes into my room. She sits on the bed, then flops down and lays next to me, laying her head on my shoulder. She says, "Sorry about running off. They needed every available nurse in the ER. But the chaos is over and I'm off now." I wrap my arm around her and say, "You look exhausted Ramona." She cuddles into me and says, "Totally. I'm too tired to even drive home. I don't wanna go back to that empty apartment right now anyway. Can I just sleep in here until my next shift?" I nod and she smiles, then kisses me and goes to sleep on me. I turn on the TV and let it lull me back to sleep, too.

An hour later the door opens loudly to the doctor walking in. He looks at the two of us and says, "Nurse Ramona, this is not a hotel room!" She quickly stands up and says, "No doctor. I was in the

ER all night and was exhausted. I didn't think it was safe to drive. This gentleman was nice enough to let me sleep here. But I can go now." She walks across the room toward the door. When she walks behind the doctor, she mouths, "See you later!"

The doctor tells me what is wrong with me. Just some contusions and a bit of fluid in my lungs. Other than that, he says I'm a strong, healthy young man that had too much to drink and forgot to designate a driver. I have to stay for at least two more days so they can keep an eye on me. He leaves. I then notice a phone number written on the napkin on the table next to the bed. I find my cell

Young, creamy skin, large brown eyes, a perfect body hidden under those scrubs, and a smile that will melt your heart.

phone and call the number. She answers the phone, "I was just sitting in the nurse's lounge until the doc went away. I'll be there when coast is clear. Bye." A few minutes later I hear the door open again. Ramona slips into my room and quietly closes the door. She sits on the couch and says, "I can visit patients if I want. Doctors all think they run things." She smiles. I haven't really given her a good looking over, but she's beautiful. Young, creamy skin, large brown eyes, a perfect body hidden under those scrubs, and a smile that will melt your heart.

I make a half-hearted attempt to sit up in the bed, but a huge pain shoots through my legs. Nurse Ramona gently feels the area and says, "It seems to be healing better than most injuries like this do in one night. My treatments are working, but you can really hurt yourself if you move too much, so I'm sorry, we can't do anything for a while." I put on a sad face and she gently bites my lower lip, then kisses it. She lays next to me gently, saying, "I really need to sleep, so good night. Please wake me up in a few hours before the doctor comes again."

NURSE!!!!

I wake up first, but Ramona is still sleeping. I turn off the TV and wake her by kissing her repeatedly. She wakes up with a smile, and mumbles, "I wish I could wake up to that every morning." She sits up and looks at me, thinking. She says, "OK, we can date, but on one condition." I nod and she says, "The sexual healing wasn't just a pick up line. I really do think it works. So as long as you can live with me healing others like this, then we can date. I kiss, make out, screw, but nothing after they leave the hospital."

I reluctantly agree. "I can't ask you to stop doing what you do. But do try to keep it to just healing and not for fun." She nods and kisses me, then leaves to start her shift. I spend most of evening recuperating, watching TV and eating dinner. I fall asleep around nine and wake up to Ramona laying next to me again. She says, "I'm going to start that healing process I told you about, but you can not tense up at all. Just relax and let it come." I nod and she licks her lips and kisses me. She gets up from the bed and goes over to the sink. She prepares for a sponge bath and returns to the bed with the soapy pan and washcloth. She pulls down the bed sheet, then my boxers. She wrings the cloth and begins to rub it around my crotch area. She gently cleans the area being sure to get down between my legs and balls, working the washcloth back between my buttcheeks.

I stiffen at her touch and that seems to make her job of washing my cock a bit easier. She finishes by rinsing me with cool, clean water and takes the pan back to the sink. Returning to the bed, she sits on the edge and then begins to rub my dick to get me harder. First with one hand doing long tight strokes and then add-

ing the second to make it firmer. She slips the second hand down to my balls and begins fondling them. I try not to moan too loudly. Then she lowers her head down and starts to lick the head of my cock. Her tongue works its magic up and down my shaft. She is sure to make eye contact with me, smiling at me as her head bobs up and down on my cock. I watch as her tongue swirls around the shaft and her hands continue stimulating my balls.

Her mouth replaces her hands on my balls and she sucks one into her mouth. I feel her tongue address it gently and then she slurps the other into her mouth. She repositions herself between my legs with both balls in her mouth and her hands stroking my cock up and down as she fixes her gaze on me. I try to keep it together so as not to pop any stitches, or my load this quickly. She takes my cock back into her mouth. Starting at the top with a tight pucker, she lowers her head all the way down my cock, taking the last inch in slowly working her tongue out of her mouth to accommodate it all. I'm amazed at her deep throating skills and I'm getting closer and closer to cumming.

She stays down there another ten minutes giving me the longest and absolutely best blow job I ever had. I moan out that I'm ready to cum and she slows the pace, subtly telling me that I should cum in a relaxed orgasm. Half a dozen jerks later I empty my load deep into her mouth and she holds her mouth over my cock, swallowing every drop of it. Ramona then sips from her water bottle to wash it down with water. "You taste great, but I have to get some sleep now, so when I return tonight from my shift, it's my turn so you're going to do me." I can't wait.

Karina and Lena had gone out to a nearby restaurant for a bite to eat – but worked up an even bigger appetite – for each other. Karina confessed to Lena that she had a crush on her, but Lena seemed to already know that. Lena seemed a little shy and unsure about what to do, so the brunette beauty moved in with a soft kiss. Once that happened, Lena wanted more. The ensuing pussy play between the two of them heated up until each came many times.

Karina & Lena nicole

SWEET PUSSY LOVING LICKING GIRLS

they licked, fingered and rubbed each other's pussies to their complete satisfaction. Then each returned the favor with some wet tongue action of their own. No area went untouched. Their ass got plenty of pleasure as well. These two took their friendship to a new level, as they brought out their special toys and used them on each other. With no man around or needed, it was dildos in pussies along with tongues on clits. Slowly they finished off with more wonderful climaxes.
